Job Summary

The Social Worker for Mount Logan Middle School will play a crucial role in providing social-emotional support and intervention for 7th and 8th-grade students who have experienced trauma and/or are exhibiting antisocial behaviors at school. The Social Worker will develop and deliver social-emotional curriculum for an alternative support classroom, promote positive behavior supports school-wide, and assess the progress of students' social-emotional development. Intervention provided will focus on high-need factors including bullying, harassment, school violence, and exclusionary discipline.

Essential Functions

Behavior Support and Intervention:

- Work with the site intervention team to identify students at risk and in need of additional support.
- Conduct assessments and provide behavioral interventions to address the individual needs of students, promoting positive behaviors and social skills.
- Collaborate with teachers, parents, counselors and school administration to develop individualized behavior support plans.

Progress Monitoring and Data Analysis:

- Regularly assess students' progress in social-emotional development through data collection and analysis.
- Utilize school data systems, such as Aspire (SIS), to track the number of office referrals, behavior incidents, and suspensions for participating students and the school as a whole.
- Participate in the School Climate Survey to assess the program's impact on the overall school environment.

Family and Community Engagement:

- Facilitate family nights focusing on academics and addressing the identified areas of high need.
- Provide parenting classes to support the parents of students in the Alternative Support Classroom.
- Collaborate with community resources to enhance support for students and their families.

Professional Development and Collaboration:

- Attend regular meetings with the site intervention team to discuss students' progress and plan re-entry strategies for transitioning back to school or specific classroom settings where students are struggling.
- Participate in professional development as a participant and by providing training to school personnel for social-emotional learning and behavior support.

Program Evaluation and Reporting:

- Prepare reports and presentations for school administration and stakeholders to communicate outcomes and progress.

Qualifications

1. State certification or licensure.
2. Demonstrated experience in providing social-emotional support and intervention to students in an educational setting.
3. Strong understanding of behavior management strategies and positive behavior support systems.
4. Excellent communication and collaboration skills to work effectively with students, teachers, parents, and administrators.
5. Ability to analyze data and use it to inform decision-making and program improvement.
6. Empathetic, patient, and dedicated to supporting students' well-being and academic success.
